Rosh Chodesh Sivan (5782)

What were the Spirit's instructional themes for Nissan and Iyar?

In Nissan, He instructed His ET Pioneer Elyons to "Focus on the Big Picture"

This meant, they were to identify their specific role in advancing Yeshua's Kingdom

While leaving the details on how this advancing will occur to Him

In Iyar, He instructed His ET Pioneer Elyons to focus on the fact they are sheep not goats

This meant, they were to stay close to the shepherd & rely on his protection, not their own

In Sivan, He is instructing His ET Pioneer Elyons to focus on the fact Yahweh is their Rock

How does a Pioneer Elyon's global tribal nature separate him from other servants?

His Judah mindset enables him to fight Yahweh's battle by himself or with others

His Issachar wisdom gives him an anointed insight into Yahweh's cycles and seasons

His Zebulun business acumen empowers him to corporately finance tribal goals

What should we recall today about the month of Sivan?

Naturally, Sivan is the 3rd Spring month, 3rd Ecclesiastical month and 9th civil month

Sivan is also a time Israel harvested its most valuable crop, wheat

Spiritually, Sivan is the Spirit's appointed time for memorializing vital historical realities

Yahweh's "Three Days of Separation" command to Israel was in Sivan

Ex 19:10-12 "so Adonai said to Moshe, "Go to the people; today and tomorrow separate them for me by having them wash their clothing; 11 and prepare for the third day. For on the third day, Adonai will come down on Mount Sinai before the eyes of all the people." CJB

Day 1 (New Moon 3), Day 2 (Day of Distinction), Day 3 (Day of Boundary)

Yahweh's giving Israel Torah 3 days after the "3 Days of Separation" was in Sivan

Note the disparity in focus concerning the separation between natural & spiritual Jews

Natural Jews view these 3 days as past event to honor an _____ Torah

Spiritual Jews view them as present event to honor an _____ Covenant

What should we recall today about the Zebulun the son of Jacob?

Zebulun was Jacob's 10th son, the youngest of 6 sons borne to him via Leah

Note the difference in focus on Zebulun's life between Leah and Jacob

Leah focused on Zebulun at the start of his life, as an answer to _____ prayer

Leah's joy rested on the hope Jacob would want to stay with her because of him

Gen 30:19-20 "Le'ah conceived again and bore a sixth son to Ya'akov. 20 Le'ah said, "God has given me a wonderful gift. Now at last my husband will live with me, since I have borne him six sons." And she called him Z'vulun [living together]." CJB

Notes 1

Jacob focused on Zebulun at the end of his life, as an answer to _____ prayers

His joy rested on the promise the entire nation would be blessed because of him

Gen 49:13 “Z’vulun will live at the seashore, with ships anchoring along his coast and his border at Tzidon.” CJB

What should we recall about the tribe of Zebulun?

In the wilderness, they encamped on the East side with Judah and Issachar and marched first

Were situated with 5 other tribes on Mt Ebal to remind Israel of the curses of disobedience

In Canaan, Zebulun settled on the Mediterranean banks to become a renowned merchant fleet

1 - Zebulun received their _____ allotment in the 3rd division of the land in Shiloh

1st Division of tribes took place in the Transjordan, the 2nd division took place in Gilgal

Zebulun’s territory was in what later became Galilee in Northern Israel

2 - Zebulun had a unique _____ financial support for the tribe of Issachar

This led to a peculiar spiritual and financial “abundance and hidden treasures” blessing

Deut 33:18-19 “Of Z’vulun he said: “Rejoice, Z’vulun, as you go forth, and you, Yissakhar, in your tents. 19 They will summon peoples to the mountain and there offer righteous sacrifices; for they will draw from the abundance of the seas and from the hidden treasures of the sand.” CJB

Note in Moses’ blessing, Zebulun and Issachar were listed together

What do Pioneer Elyons (bellwethers) know about Yahweh? – He is their Rock!

Ps 18:3 “3(2) “Adonai is my Rock, my fortress and deliverer, my God, my Rock, in whom I find shelter, my shield, the power that saves me, my stronghold.” CJB

Why did David view Yahweh as a rock in this instance, rather than a foundation as most do?

When David went to escape Saul, it was to these “craggy precipices” he fled!

Why did men and animals go to these types of rocks for nourishment in addition to refuge?

Refuge - These rocks were difficult to access with their deep dark _____

Nourishment - Bees often made their hives in these rocks in _____

Deut 32:12-13 “Adonai alone led his people; no alien god was with him. (iii) 13 He made them ride on the heights of the earth. They ate the produce of the fields. He had them suck honey from the rocks and olive oil from the crags,” CJB

Why is running to the Rock to hide at an appropriate time, NOT an act of cowardice?

Matt 24:15-16 “So when you see the abomination that causes desolation spoken about through the prophet Dani’el standing in the Holy Place” (let the reader understand the allusion), 16 “that will be the time for those in Y’hudah to escape to the hills.” CJB

How does the eastern view of the Rock as more than a foundation, change the narrative?

The more imminent and threatening the danger was out of which they were delivered

The greater is the mercy of the deliverance

Notes 2

**The more direct and earnest they had been in prayer to Yahweh for deliverance
The more they are obliged to be thankful when they get delivered**

Conclusion

If I am to understand the Spirit's message in relation to the tribe of Zebulun

I must grasp the impact his disobedience to the Command had on others

I must realize the long-term impact his disobedience had on his lineage (e.g., Jonah)

I must NEVER be like Zebulun and ignore or try to alter Yahweh's clear _____

Laziness and unfaithfulness allowed them to be ok compromising the command

Judg 1:30 "Z'vulun did not drive out the inhabitants of Kitron or Nahalol; so the Kena'ani continued to live among them but became subject to forced labor." CJB

So today, I must obey those directives to which I have been partially obedient

I must BE like Zebulun & remember, the Spirit can still use me if I return & _____ Him

Zebulun returned from his isolation to join the others in battle with Deborah and Barak

Judg 4:9-10 "She replied, "Yes, I will gladly go with you; but the way you are doing it will bring you no glory; because Adonai will hand Sisra over to a woman." Then D'vorah set out and went with Barak to Kedesh. 10 Barak summoned Z'vulun and Naftali to come to Kedesh. Ten thousand men followed him, and D'vorah went up with him." CJB

So today, I must discover those battles I have avoided and return to fight again

If I am to understand the Spirit's message in relation to the month of Sivan

I must sanctify these next 3 days to _____ to receive revelation from my Lord

But I cannot let any unexpected golden calves hinder my preparation

If I am to understand the Spirit's message in relation to Yahweh being my Rock

I cannot let my brokenness or feelings of shame about past sins or _____

Keep me from humbling myself at the Spirit's request and go to my Rock as they did

I am to respond to His wedding invite as they did to Hezekiah's Pesach invite

I cannot let my lack of worship in the past, keep me from worship now and being a light

Matt 4:15-16 "Land of Z'vulun and land of Naftali, toward the lake, beyond the Yarden, Galil-of-the-Goyim – 16 the people living in darkness have seen a great light; upon those living in the region, in the shadow of death, light has dawned." CJB

Today, I must discover those areas in me where His light is not shining in my worship

I cannot let Yahweh's kingdom message of unity and oneness in Him

Keep me from submitting and cooperating as they did, to conquer my Canaan

Today, I must discover where I am not assembling with His congregation

Or not camping in my ordained spot in His specific community -- Amen

Notes 3

Today, I leave everyone with this truth about our Rock

2 Sam 22:2-3 *“David said the words of this song to Adonai on the day Adonai delivered him from the power of all his enemies and from the power of Sha’ul. He said: “Adonai is my Rock, my fortress and deliverer, 3 the God who is my Rock, in whom I find shelter, my shield, the power that saves me, my stronghold and my refuge. My savior, you have saved me from violence.” CJB*
